Fund Raising Understanding and Agreement

Understanding and Acknowledgement:

I _____ understand and acknowledge that:

1. Five Hills Chito Ryu Karate Club Inc. is a non-profit organization that employs no paid instructors or staff.
2. All fees and dues paid to Five Hills Chito Ryu Karate Club Inc. go back to supporting the training of the students of the club.
3. The monthly training fees do not cover all of the expenses related to the running of the club, the additional training seminars and tournaments available to students nor the expenses related to the instructors maintaining their skills and qualifications.
4. It is therefore necessary for Five Hills Chito Ryu Karate Club Inc. to fund raise in order to host training seminars, to provide bursaries for students to attend tournaments or training seminars hosted by other clubs and to provide improved quality of instruction through instructor attendance at seminars and training clinics.
5. **A fund raising fee of \$150.00** per student is required to be paid at time of registration. Five Hills Karate Club has chosen to implement a flat fundraising fee as feedback from parents over the years has shown that the majority would rather just pay a flat fee instead of working multiple fundraising activities.
6. However the fund raising fee of \$150.00 still does not cover all of the costs associated with hosting a seminar for example, so there may be a small per student fee charged for these events as required.
7. Additional fundraising activities may be available throughout the season. Those families that choose to participate in these fundraising activities will receive an equitable portion of the proceeds to offset any additional individual expenses related to the above listed activities.
8. The fund raising amount is not refundable. (In certain situations a pro-rated amount may be refunded.)
